Spain Law and place of Performance and of Jurisdiction

This ITYM 2019 Participation Agreement shall be governed by the laws of Spain. Place of performance and exclusive place of jurisdiction for all disputes arising out of or in connection with this ITYM 2019 Agreement shall be Barcelona, Spain.

Participant

I hereby agree that I take part in the "11th International Tournament of Young Mathematicians" and that I accept this "ITYM 2019 Agreement" and the "Rules, Regulations, and Guidelines". I have read and completed fully and accurately the attached Questionnaire for Medical Emergencies. All consequences with regard to incorrect relevant information, or withholding thereof, will be entirely at our/my own risk and expense.

(First Name, Family Name and Signature)

Parental Consent (if Minor)

I/We hereby declare that I am/we are the aforementioned parents/legal guardian of the participant, and I/we agree that he/she takes part in the "11th International Tournament of Young Mathematicians" in Barcelona, Spain, and that I/we accept this "ITYM 2019 Agreement" and the "Rules, Regulations, and Guidelines". I/we have read and completed fully and accurately the attached Questionnaire for Medical Emergencies. All consequences with regard to incorrect relevant information, or withholding thereof, will be entirely at our/my own risk and expense.

(First Name, Family Name and Signature)

11th International Tournament of Young Mathematicians (ITYM 2019)

Rules, Regulations, and Guidelines

1. The “11th International Tournament of Young Mathematicians” (henceforth called “the ITYM 2019”) will be organized by Harbour.Space University, Barcelona, Spain. It takes place from July 1, 2019 to July 8, 2019, at St. Paul’s School.
2. Every reasonable effort will be made to carry out the program as advertised. The Local Organizing Committee (LOC) shall not be liable for any delay, change, or cancellation of the program if such an event is caused by conditions beyond its control including, but not limited to, Force Majeure, Acts of God, natural disasters, and/or any other cause beyond the reasonable control of the party whose performance is affected.
3. Any time the participant is away from Harbour.Space University and all travel before arrival and after departure from Harbour.Space University takes place at the participant's own risk. Participants arriving before the beginning of the ITYM 2019, or departing after its end, do so at their own risk, responsibility, and expense.
4. All participants must follow the instructions of the supervisor in charge.
5. When students leave campus on their own, they do so at their own risk, provided they check out and back in with the supervisor. No supervision takes place during such leaves.
6. The program includes excursions, for instance to Hermitage Museum. On such excursions, there will be some free time for participants. During these times, participants are unsupervised and free to explore the place without being accompanied by a supervisor. All participants must report attendance and absence to the supervisor.
7. **Special Clause for Minors: Stay on accommodation**
Underage students (in Spain defined as students under the age of 18) naturally are not under supervision at all times within Harbour.Space University or in accommodation. It is possible for students to leave the accommodation at any time; supervision does not take place off accommodation. As the parents or legal guardians, we declare that the possible increase in personal responsibility and self-discipline required will not be over-challenging for our child. Harbour.Space University, its employees and other authorized persons are in this respect relieved from their supervisory obligation. Parents or legal guardians will take all necessary measures required to ensure that the student has an adequate understanding of the ITYM 2019 and of life in accommodation in order for them to ensure their personal safety, to avoid violations of their obligations and to avoid causing damage. Parents or legal guardians are liable for their children. Harbour.Space University is exempt from liability for any violation against supervisory obligations, should they occur. Excluded from the aforementioned liability exemption are claims made for injury to life, limb, and/or health and for claims made against Harbour.Space University for compensation for damages caused by intentional or grossly negligent breach of their supervisory obligations.
8. **Special Clause for Minors: Excursions and Leaving Hotel**
With their signature, the parents or legal guardians give their consent for the participating minor to carry out activities on their own, without a supervisor. When not accompanied by a supervisor, minors must move in groups of three. The supervisor is relieved of any supervisory obligations for the duration of the participant’s absence from the group.
9. LOC does not allow participants of the ITYM 2019 to consume alcohol or drugs.
10. Participants are personally liable for all damages incurred by them. If compensation cannot be claimed through an insurance company, participants and their parents and legal guardians are personally responsible for all resulting costs.
11. LOC is excluded from any liability for a culpable behaviour of the participants.
12. Under certain circumstances (e.g., for transport to/from airport/train station, to visit a doctor) participants may travel at their own risk in a supervisor’s vehicle, in the vehicle of another authorized supervising person, or in another private vehicle. Under such circumstances, the right to compensation for any damages (against driver and car owner) will be waived, if compensation cannot be claimed through an insurance company.
13. Any conflict situations arising will be mediated by the ITYM 2019. In case of repeated or serious violations of the rules, the ITYM 2019 may decide to end the participation immediately. The decision to end the participation is entirely at the discretion of the ITYM 2019. *In case the violator is a minor, parents or legal guardians will be informed, and further action will be discussed. Parents or legal guardians will leave their contact details including E-mail and telephone (if available) with the ITYM 2019, so they can be reached at any time, including in cases of emergency. They will immediately inform the ITYM 2019 of any changes of contact details. Parents and legal guardians give their permission for the ITYM 2019 to be ended for their child at their own expense either for serious violations of the rules or for pedagogical reasons.*

14. Harbour.Space University and the ITYM 2019 have permission to use or publicize photographs taken during the ITYM 2019 on their homepage and for other advertising purposes. They will not pass on this material to a third party without permission by the participant.

15. Participants must follow the regulations of the ITYM 2019 competition published on <http://www.itym.org/rules>

Health Issues

The attached questionnaire must be returned completed and signed. For medical emergencies, LOC must be informed of any health restrictions or illnesses which require special treatment, demand special care or attention, or which could cause a risk for others (e.g., risk of infection).

a) Participants are obliged to inform LOC in written form if the participant has, or is suspected of having, an infectious disease.

b) If the participant regularly requires to take medicine or if he/she is dependent on any medicinal aids, the administration or use of these will be the sole responsibility of the participant.

c) Lifesaving medical operative interventions or vaccinations which are considered to be urgently required by a consulted doctor will be carried out in case of an emergency.

d) LOC takes special care to provide a variety of meal options for many dietary needs and preferences. No responsibility can be assumed that the food offered will suit the personal needs of individual participants. It is the sole responsibility of participants to obey any special dietary restrictions (caused e.g. by allergies) they may have.

e) Students must have adequate health insurance that is valid in Spain during the entire time of the ITYM 2019.

Data Protection

The ITYM 2019 will treat as confidential all data which has been confided as part of this declaration and in compliance with pertaining regulations, and that the evaluation, processing, and use of this data will only take place in compliance with current applicable Spanish Law, for the purposes of executing this agreement and/or agreements between LOC and the participant.

11th International Tournament of Young Mathematicians (ITYM 2019)

Questionnaire for Medical Emergencies

In case of emergencies, this questionnaire will be handed to the consulting doctor to help carry out lifesaving medical procedures. All information will be treated as confidential.
